Dear Sasihle,
Thank you very much for the letter you wrote.
We are happy that you are good at school and that you are able to
write letters on your own now. Have a lot more nice trips with your
mother.

I send you a picture of us.
As you can see, you have a lot of sponsors.
We are a YMCA in a German city on a big river.

I took the picture on the Christmas party.
On the party we looked at your picture and thought of you.
We are looking forward to your next letter.

Merry Christmas
Arnold.
